Sexual abuse. From surviving to living.

UP THE LIFFEY

IN A BUBBLE

Join us for the first ever water Zorbing challenge in Dublin. We are looking for individuals or teams of four to battle it out in a face to see who completes the greatest number of rotations against the clock. Each team will be

placed inside a giant Zorb. Our event management team will provide all the necessary safety equipment and support staff, including the Zorbs, safety boats and buoyancy aids. Absolutely no previous experience is needed but this really is a challenge! It's harder than it looks but so much fun at the same time!

FUNDRAISING TARGET

€440

The event will start at 10:30 am Grand Central Docks at the Ocena Bar jetties - just North of the McMahon Bridge. Registration is €40 with a fundraising target of €400 per team of 4. To sign up or if you have any questions please contact John on events@oneinfour.ie or call 01 6624070.

WE NEED YOU!

We believe in an Irish society where children are safe from the threat of sexual harm.

We support people who experienced sexual abuse during childhood. We do this through psychotherapy, advocacy and prevention services.
